## MODEL RELEASE

1. I, \_\_\_\_\_, for good and valuable consideration, the receipt of which is hereby acknowledged, hereby irrevocably and absolutely consent to the unrestricted use by Don Duncan ("Photographer") and his successors, assignees, licensees and legal representatives of any and all photographic or other images ("Images") of me and/or my property that the Photographer creates/created or makes/made on the date \_\_\_\_\_ in any and all forms and all media now existing and yet unknown, and in all manners including composite images or distorted representations, including, without limitation, publicity, illustration, commercial art, advertising, publishing, stock photography, trade, or other lawful uses as may be determined by Photographer, to copyright same in Photographer's own name or any other name that he may choose, and the right to use my name in connection therewith if Photographer so chooses.
2. I waive any and all rights to inspect or approve the finished Images, any written copy, accompanying text or any other printed or visual matter that may be used in conjunction therewith, or to inspect or approve any version of any use(s) to which the Images may be applied or used in conjunction therewith.
3. I release and discharge Photographer and those acting under his authority from any and all liabilities, claims, and demands arising out of or relating to any blurring, distortion, or alteration, whether intentional or otherwise, that may occur or be produced in connection with the Images, or in connection with any processing, alteration, transmission, display, or publication of the Images.
4. I represent that I do not have an exclusive affiliation with any model agent or agency and have made no other agreement, whether written or oral, pertaining to the creation, use of publication of any of the Images.
5. I acknowledge that I am of full legal age and have read and fully understand the terms of this release, and have been given a copy of it. I further acknowledge that Photographer, as defined herein, relies on the accuracy of my representations.
